COPY AND PASTE ENTIRE SPREADSHEET INTO AN R/STOBUILDS POST IN THREE EASY STEPS!

- 1. Left-click the upper-left corner between Column A & Row 1 (this selects the entire spreadsheet)**
- 2. Right-click, select -Copy-**
- 3. Right-click, select -Paste- in the text box of a new text post at /r/stobuilds**

Remember: If you are using new reddit, switch to markdown!

The image shows the 'new post' form on Reddit in dark mode. At the top is a 'Title' input field. Below it is a rich text editor toolbar with icons for bold (B), italic (i), link, unlink, code (</>), font color (A), background color, bulleted list, numbered list, quote, indent, table, image, and video. A 'Switch to markdown' link is on the right of the toolbar. The main text area contains the placeholder 'Text (optional)'. At the bottom, there are buttons for '+ OC', '+ SPOILER', '+ NSFW', and a 'FLAIR' dropdown menu. On the right side of the bottom bar are 'SAVE DRAFT' and 'POST' buttons.
